

PARAGON RIDGERUNNER R/T

S, T AND Q SPEED RATED / UTQG 600 A B

72,000 KM Limited Treadwear Warranty

The Paragon Ridgerunner RT tire; Your reliable adventure companion for every season and every terrain. Designed to conquer diverse weather conditions with ease, even the colder temperatures being 3PMS certified. Featuring an optimized tread pattern, it ensures enhanced traction on any terrain, empowering drivers to navigate with confidence and control. Deep tread, ample traction and well-balanced road manners for your everyday travels. The RIDGERUNNER RT is your trusted rugged terrain tire.

- Navigate with ease across various terrains thanks to the tire's optimized tread design and deep tread depths (16 & 18/32), offer superior traction and control, empowering drivers to tackle any road with confidence.
- Tire's aggressive sidewall biters enhance off-road performance and protection, offering increased puncture resistance and a functional rugged appearance
- Experience peace of mind, knowing that the tire is 3PMS certified for severe snow conditions, providing consistent grip and traction even in challenging winter temperatures.
